

CLC CHRONICLE

2022 TERM 3 EDITION

Respect • Diversity • Personal Best • Courage • Resilience

We can see the finish line!

There has been a lot achieved so far this year with one more term to go!

Students and staff dress in yellow for R U OK? Day and take part in some fun activities

Themed days

Lots of fun events at the CLC this term

P4

History of Cinema

Who doesn't love a good film?

P5

Do you have the answers?

We finish off the term with a quiz to get you thinking

P6

Student Success

Students share their stories of success this term

P7

It's been a tough year but the finish line is in sight!

As we approach the end of the year we have seen some great successes from our students with many capitalising on their hard work at the beginning of the year. We have a number of students that have already managed to complete their SACE, and we have more that are on their way to being completed by the end of the year. Next term will be wonderful to once again celebrate our SACE completers at the CLC's end of year celebration, the Informal Formal.

This term, we have had no less than five Social Work students begin their placements at the CLC! These new additions to the CLC this term include; Danielle – Bachelor of Social Work, Jessica – Bachelor of Social Work, Sid – Masters in Social Work, Elva – Masters in Social Work, and Laura – Masters in Social Work. It has been great to have the extra bodies around the site with students benefiting from the additional support.

It's also been a wonderful term for events and themed days. We have celebrated R U OK? day, Wear it Purple day, Onsie/Oodie day, Whacky Hair day, International Youth day, and National Sports day. Students and staff were able to take the opportunity on these days to have a bit of fun, relax, or open up important discussions around wellbeing and inclusivity. It's always great to have these dates on the calendar for something to look forward to.

There's no doubt that the last few years have been challenging and I think personally, this year has been one of the toughest. However, what has been great to see is the resilience that has been displayed by our young people. Students are still putting in the hard work to be successful and proving that they can achieve great outcomes. It's fantastic to see!

Enjoy the last set holidays before the end of the year. Have a great break!

Thank you.

Juan Lopez
Head of NESPN Community Learning Centre

This year Complete Hospitality Training Skills have been facilitating a Certificate II in Hospitality for students every Friday at the CLC. This term the students began to put their skills to the test hosting a luncheon at the CLC. Delicious hors d'oeuvres were prepared and served including satay chicken skewers, arancini balls, bruschetta, quiche and cheesecake among other treats. A selection of fruit mocktails were also on offer to quench our thirsts.

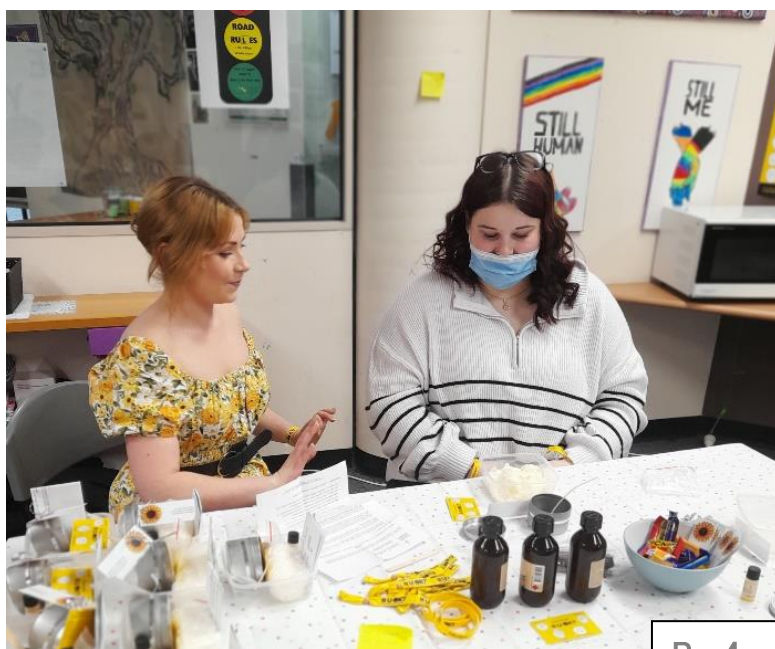

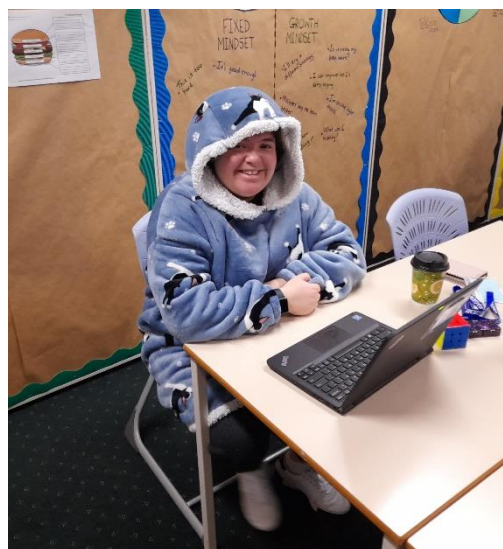

On the last day of the term, a wood fired pizza oven was brought to the CLC for the students to experience some traditional pizza techniques. The students got stuck into preparing the toppings and working the dough into the perfect pizza pie!

Dee – VET Trainer

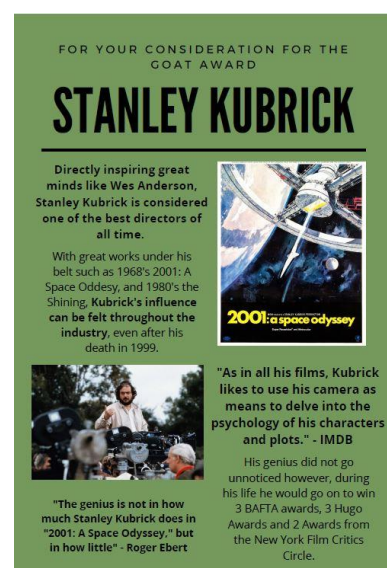

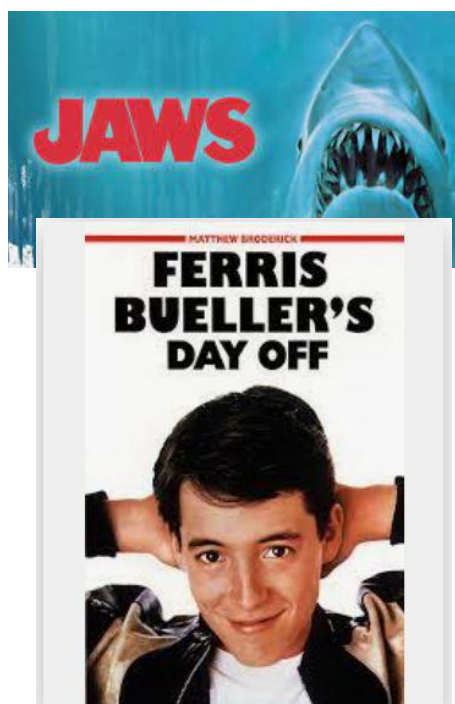

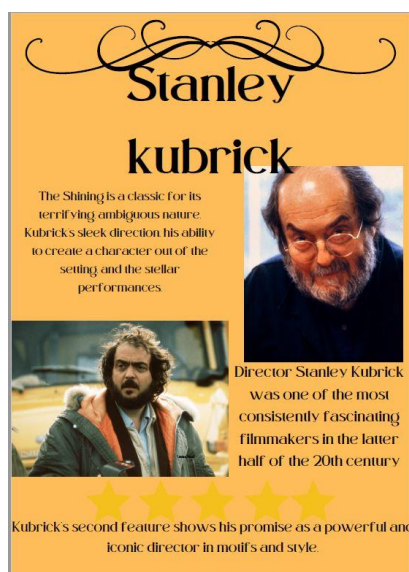

It's been a busy term at the CLC but staff and students have managed to pencil in some time to relax! While some days have been all about light hearted fun, others centred on the importance of inclusivity and diversity or wellbeing and self-care. We had six days of different celebrations and activities this term including; Onsie/Oodie day with hot chocolate and cookies served, International Youth day with a pancake lunch, Whacky Hair day with students and staff sporting interesting and out there hair styles, Wear it Purple day supporting inclusivity and discussions around what this means to us all, National Sports Day with a table tennis tournament and R U OK? Day supporting wellbeing and self-care activities including candle making and mindful colouring in.

Bec – NESPN CLC Case Manager

This term, students of the new History of Cinema subject have been having a great time learning about a hundred years' worth of cinematic development! We have investigated the early innovations of the first film recording technologies of the Lumiere Brothers, the visionary special effects of "Cinemagician" Georges Melies, and of course blockbuster directors like George Lucas. Students have been exploring film both on-screen and behind the scenes, from the silent era through to the introduction of sound/colour and the CGI green screen. Using their critical and creative thinking, students have produced wonderfully researched and presented press ads, to gain votes for their icon of cinema to win the CLC's coveted G.O.A.T cinema award. Gracee – NESPN CLC Teacher

CLC Profiles

Gracee: SAGE Teacher

Name/occupation:

What is your hidden talent?

Making Coffee

When I'm travelling

I'm happiest when...

When I'm with friends

Percy Shelley because he was a great poet

If I could meet anyone from any time period, it would be...

Ryan Reynolds because he seems nice

The students

Favourite thing about the CLC?

The support we get here

This term the CLC quiz was back to test the students' movie and TV show pop culture knowledge. Students made their own teams to battle it out and see who had the superior knowledge. Questions were drawn from Star Wars, Marvel, Disney and Harry Potter amongst others.

To ensure the students were not trying to work hard on an empty stomach, a shared lunch was served beforehand with snacks throughout the quiz.

After three rounds of trivia questions 'The Bees' and team 'Megermind' couldn't be separated. A tie break was needed to break the deadlock and in the end The Bees team was too good, winning the day.

It was a great way to end the term before the break!

Skye

Skye came to the CLC from Banksia Park International High School. This year she is working to complete her Certificate II in Salon Assistant and is progressing well.

Skye has also pursued other courses and has completed an Eyelash/Beauty course in the last set of school holidays. Capitalising on the skills learned in these courses, Skye has started her own business from home and has been able to generate an income for herself. She intends to continue to grow her business and will undertake additional beauty qualifications in 2023.

Fantastic work, Skye!

Kellen (right)

Kellen started at the CLC in 2021 and quickly became an integral part of the NESPN CLC community. Well-liked by peers and staff alike, he regularly participates in group activities and has worked extremely hard to complete his assessments and classes. He has now completed three business courses, a tourism course, a hospitality course, and is currently on track to complete his SACE a full year earlier than expected! Kellen brings a positive attitude into everything he puts his mind to and will no doubt go far in his chosen career.

Well done, Kellen!

Talia (left)

Talia has had a productive term gaining some new skills and knowledge. She has now completed two SACE classes; Personal Learning Plan and Integrated Learning Numeracy. In addition to this, Talia has completed a White Card short course gaining her accreditation to enter construction sites. Talia is now continuing with her other SACE subjects including Essential English and Literacy and is working to keep her attendance and engagement up.

Talia has identified a possible career pathway in construction or hair and beauty.

Great work, Talia!

This term many students have embodied and displayed the CLC's values. Well done to those that have been recognised below for their work this term in demonstrating what the CLC stands for!

Congratulations
